Santoku Knife Set

NRCODE:

200009700

Title:

GSI Outdoors, Santoku Knife Set, For Camping

FPs:

Prepare meals like a pro with highly-specialized stainless steel Santoku, serrated, and paring knives—prep breads, meats, vegetables, fruits, and more

Safe-handling with protective sheaths and sure-grip rubber handles; Sheaths also preserve blade sharpness, adding long-last durability

Compact ballistic case keeps gear organized; Stores snugly in car, 4WD, RV, or backpack; Portable, easy-carry case perfect for backcountry trips

Clean knives and utensils with included soap bottle and microfiber dish cloth

Feeding your love of the great outdoors since 1985; Product design rooted in innovation, durability, efficiency, and environmental responsibility

Description:

Whether a beginner or chef supreme, the Santoku Knife Set will help you create gourmet dishes as you enjoy the great outdoors camping, hiking, or in your backyard! This set offers three versatile stainless steel knives with easy-grip rubber handles—Santoku, paring, and serrated. Extras include a folding cutting board, soap bottle, and dish cloth. The Santoku Knife Set allows for top-of-the line preparation of delicious, hearty meals with skillfully cut meats, vegetables, breads, and more.

Destination Kitchen Set 24

NRCODE:

105862856

Title:

GSI Outdoors, Destination Cooking Set 24, Serves 4 People

FPs:

24-piece camp dining set feeds a family of four—enjoy food, fun, and adventure with four sets of cutlery, preparation and cooking utensils, condiment containers, and cleaning gear

Chef tools to whip up on-the-go homestyle meal—flip and stir with rotating spatula and spoon; grate cheese and vegetables with lightweight grater; skin wild-caught fare with utility knife

Add flavor to food with waterproof salt and pepper shaker; Transport savory oils and sauces in soft-sided condiment containers with easy-to-use flip-top squeeze lids

Clean dishes after eating with scrubber and microfiber dish cloth; Store all 24 pieces in the compact nylon ballistic case—portable and keeps everything organized

Feeding your love of the great outdoors since 1985; Product design rooted in innovation, durability, efficiency, and environmental responsibility

Description:

From picturesque weekend hikes, to mountain vacations, the Destination Kitchen Set provides chef tools for outdoor life with a gourmet twist. This must-have 24-piece set feeds four and provides utensils for prepping, cooking, dining, and cleaning. GSI Outdoors is with you each step of the way—from slicing vegetables or meats to cleaning the surrounding camp kitchen site once done. The lightweight nylon ballistic storage case can be conveniently carried or stored in cars, RVs, backpacks or luggage.

Pinnacle Base Camper, Camp Cooking Set

NRCODE:

200012748

Title:

GSI Outdoors, Pinnacle Base Camper, 8-Piece Camp Cookset

FPs:

Prep gourmet meals for the great outdoors, whether the campsite, bivy, base camp, or somewhere in between; Safe to use with most utensils

Cookware made using hard-anodized aluminum—heats evenly; lightweight, resilient material; sealed to prevent leaching and chemical reactions with acidic foods

Patented Teflon with Radiance Technology complements the on-the-go adventurer who enjoys quick, high-quality dining with long-lasting gear—surfaces heat 25% faster and are abrasion and scratch-resistant

Accessories help create a 360-degree, next-level outdoor experience—cutting board and strainer for no-stress prep; clean and store gear in a stuff sack that doubles as a wash basin

Feeding your love of the great outdoors since 1985; Product design rooted in innovation, durability, efficiency, and environmental responsibility

Description:

Bring new highs to your car camping set-ups, backpacking or overnight camping trips with the 8-Piece Pinnacle Cookware Set. This efficient, high-performance cooking gear can withstand rough outdoor use. The two pots and frying pan in this set are made using hard anodized aluminum. This aluminum formulation enables even heating and is sealed to protect against aluminum leaching into food or reacting with acidic foods. Additionally, the nonstick Teflon surface is formulated using Radiance technology. This set also comes with 2 nylon lids, a strainer, a cutting board, a folding handle, and a stuff sack/wash basin. Enjoy excellent backcountry food and drink with the Pinnacle Cookware Set—for novices, enthusiasts, and glampware gourmands alike.

Microlite Water Bottle

NRCODE:

300033739

Title:

GSI Outdoors, Microlite Water Bottle, Vacuum-Insulated Stainless Steel, For Camping

FPs:

Stay hydrated on camping and hiking trips; Double-wall vacuum insulation keeps cold or hot depending on your outdoor needs

Practical construction—stores 25% more water and weighs 1/3 less than traditional vacuum bottles of the same size; Prepare for long, exacting days, whether planned or unexpected

High-quality product manufactured with long-lasting 18/8 stainless steel; Anti-scratch pad underneath protects metal, glass, wood, and all other surfaces

Designed with sustainability in mind; Easy-flip top lid also doubles as mini-cup; Microlite Water Bottles are outfitted with ECO Design label for commitment to reducing waste

Feeding your love of the great outdoors since 1985; Product design rooted in innovation, durability, efficiency, and environmental responsibility

Description:

Don't leave home without the convenient Microlite Water Bottle, a satisfying blend of purpose and style. The Microlite's vacuum double-wall insulated technology maintains temperature—keeping hot stuff hot; cold stuff cold; and room temperature stuff at room temperature. Pack light for camping excursions with an ultralight design that weighs 1/3 less than traditional vacuum water bottles. The Microlite Water Bottle also stores 25% more water, helping you to stay hydrated longer. A press-button flip top provides easy access to water. The Microlite Water Bottle proudly wears an ECO Design label, in our commitment to reduce one-time use waste.
